Introducing the most technologically advanced way to sit-down free motion quilt with stitch-regulation. Handi Quilter's HQ Sweet Sixteen is simply the best way for quilters to tackle projects with a sit-down machine. With the introduction of TruStitch, quilters are now able to create quilt designs with beautifully even stitches.

If you love free-motion quilting but struggle to fit your project on a domestic machine, you're going to love the HQ Sweet Sixteen®. Throat space of sixteen inches gives you room to work on even a king-size quilt. The smooth surface of the included table allows your project to glide under the needle. The powerful motor handles quilting with ease and stitches up to 1,800 stitches per minute. Choose your own top speed and set it on the easy-to-use color touchscreen.
