Description

A PERFECT LONGARM FOR SMALLER HOME STUDIOS AND SHOPS.

Include either the 12' or 10' Studio Frame

This machine combines the quality of the Handi Quilter brand with a size perfect for most quilting projects. With either the 10-foot or 12-foot frame this machine's style and grace will accent any home studio, and the smaller size lends itself to portability if necessary. Pair it with the HQ Pro-Stitcher Software and you can have an all-around great machine!

Control the entire process of creating and finishing quilts. The HQ Avante provides just the right amount of quilting space for today's quilters. You'll comfortably be able to quilt heirlooms and gifts for family, friends, and charity for hours at a time. Integrated technology and engineering provide the functionality that quilters demand, paired with the smoothest stitch in the industry. This quality product is backed by the HQ warranty and a large network of local representatives.
