

HS Hamilton Sewing News

Happy New Year!
TO ALL OUR WONDERFUL
CUSTOMERS & THEIR FAMILIES.

*We're kicking off the New Year with great new
products, projects and savings !*

New Products:

The **Baby Lock Alliance** single-needle, free-arm machine lets you embroider easily in tight quarters and even on three-dimensional projects. Add the Free-Motion Kit and now you're quilting on your embroidery machine.

Enjoy the ease of Modern Sewing on the **Husqvarna Opal 690Q**. Built in assistance that helps achieve great results. Exclusive Sensor System adjusts to any fabric thickness. Electronic Self-Adjusting Thread Tension. The Sewing Advisor optimizes your sewing with automatic settings.

The **Handi Quilter Sweet Sixteen** gives you the freedom of free-motion quilting with a sit-down longarm. Add the Couching, Glide or Echo feet and now you're able to embellish layers of a wide variety of fibres, yarns, specialty threads and more to create amazing works of art to your quilt.

Demonstration Models On Sale Now

This is your opportunity to take advantage of fantastic savings. Full Manufacturers Warranty Included. Save more with our Previously Owned selection of Sewing/Embroidery & Serger machines.

personal demonstration.*

Featured Favorites:

Tool – Clover **Press Perfect Hot Hemmer** measure, marks, press hems and more in one step. Great for purse handles, binding, hems, rounded corners, interior and miter corners. Heat resistant, accurate ruler can be pressed with dry/steam iron, features non-slip surface to hold fabric for precise results.

Threads – You will be amazed at the intriguing results you will get with **Sulky Cotton Blendables Thread**. These exciting, multicolor threads are a masterful blend of different colors within the same range of tone and intensity, with random, subtle color changes every 2-1/2 to 5 inches! No other thread does this! You have to try these - to get your started check out our book - **Fun With Sulky Blendables** and **Create with Confidence**.

HQ Light Strip Kit from **Handi Gadgets** is compatible with all HQ longarm machines. Features: 180 Lumens at 5v Voltage, 3M adhesive-mounted strip contains 30 LED's, 50 cm light strip; 2 m cable length. Power adapter included

Machine Accessory – Free motion quilting made easy! So you have a Domestic Sewing Machine and would like to stitch designs without drawing them first or following stencils. We have the answer we like to refer to as Free Motion Quilting with training wheels. **Free Motion Quilting Ruler Foot & 250+ Template Designs** by Westalee Design.

CLASS REGISTRATION & STORE POLICIES

Class fees are required at the time of registration to guarantee your spot. Class space is limited, so register early. HST is not included in class prices listed.

If you must cancel, I respectfully request that you provide one week notice for a full refund. In the event that a class is cancelled, registrant will receive a full refund or may apply it to another class.

Some classes will include materials while others will require project kits or supplies to be purchased in advance. Please ensure that you receive your supply list upon registration.

Hands-on classes require your machine to be in good working order. Bring your owner's manual and standard accessories to each class. On occasion some machines may not be suitable

for a special technique; do not despair, you may use one of ours to complete the project.

"Brown Bag Lunch" seminars are full day events in which we ask you bring your own lunch. Hamilton Sewing Machine will provide beverages and desert.

To begin on time you may wish to arrive 10 minutes early to allow time to set up your sewing station.

Quantities may be limited on select sale items. Visit store for details or email michele@hamiltonsewing.com

Sincerely Michele
